

### **Generally....**

You will need to plan on being dirty, sweaty, and covered in paint, tar, a layer of dirt and various other things each and every day. Keep in mind that you will not have access to an on-site laundry facility. Packing for the entire week is important. Dress clothes or really nice shirts and pants are probably not a good idea. Remember to not wear anything that you don't mind getting really dirty or, to find at the end of day the clothes are carrying permanent reminders of the work site!

### **Plan to Bring: For The Work Site**

- **Shoes/Boots**-sneakers are adequate, open toe shoes or sandals are NOT allowed on a worksite! No Exceptions. Preferable footwear is something with a hard sole.
- **Socks**-Need to be worn at all times, protect the feet and keep out unwanted critters.
- **Hat, Cap or Bandana**
- **Appropriate T-Shirts, Work Shirts**-Pack at least one Long Sleeved Shirt to work in. Some tasks require long sleeves.
- **Shorts, not too far above the knee, please!** Use discretion in the selection!
- **Long Pants**-Must be worn on the work site at *all times*. Loose fitting are best. Many people opt for old hospital wear or army pants. Jeans are also acceptable.
- **Water Bottle**

### **Back At The Facility: (After The Shower)**

• **Comfortable Clothing**-Again, use good discretion! Shirts must be worn at all times! Halter- tops, sports bras, spaghetti straps, tank tops, half shirts (no belly buttons please), or shirts/hats with suggestive sayings or beer/cigarette slogans will not be tolerated. Short shorts, mini- skirts or spandex are not appropriate at any time.

### **Also be sure to Pack:**

- Bible and Journal
- Toothbrush, toothpaste, soap, deodorant, personal bathroom stuff
- Wash cloth, towel
- Showering shoes
- Sleeping bag, bed roll, pillow (we have cots with mattresses)
- Light jacket (optional for cool nights)
- Swimsuit

### **Optional Stuff:**

- Camera (Bring at your own risk. We take no responsibility if it gets lost, stolen or broken.)
- Sunglasses, sun screen (some will be provided) and chap stick

### **Do Not Bring:**

Valuables, including but not limited to: family heirlooms, cell phones, I-pods, MP3 players, video games, televisions, and large amounts of cash (NO cash is needed at all but there is a snack bar to get drinks back at Recreation in the evenings). There are a lot of people staying in the facility with you, and we have no way to secure your personal items.
